Show Time As: Busy

Hi Anwar/Billy,

Dr. Vera Ritz, toxicologist from Germany is visiting OPP and would like to have a chat with you on Glyphosate (see below).

- glyphosate
Germany is Rapporteur Member State in the EU renewal procedure for glyphosate as a high priority substance. Does the OPP has new data on glyphosate, in particular on synergistic effects due to tallow amines in the products?
- tallow amines
Germany proposes to set tallow amines on the "List of co-formulants which are not accepted for inclusion in plant protection products" (Annex III of Regulation (EU) 1107/2009).

Appointment
